Firecracker flower

*Dichelostemma ida-maia* - Bulb

**Plant Type:** Bulb

**Flower Color:** Red

**Flowering Time:** May to July

**Height:** 1.5-2 feet

**Width:** 1 foot

**Exposure:** Sun-light shade

**Water Req.:** Moderate water while growing. Must be dry after leaves turn brown.

**Habitat Value:** Hummingbirds

**Comments and Maintenance:**
Bright red and yellow flowers great to have blooming in the garden for the 4th of July. Plant 4-6" deep and 2-4" apart. Will not bloom in full shade.
