Mock Orange

*Philadelphus lewisii 'Marjorie Schmidt'*

Plant Type: Shrub

Flower Color: White

Flowering Time: April to June

Height: feet

Width: feet

Exposure: Sun-light shade

Water Req.: Moderate - every 2-3 weeks or when top 3-4" of soil is dry.

Habitat Value: Birds

Comments and Maintenance:
Deciduous shrub with widely arching branches. Dense racemes of white, rose-like flowers with orange-blossom fragrance appear in late spring. Can be used as an informal hedge. Prune to shape every few years, or enjoy its graceful, open form. For a large garden space.
